## Open issues for IUG consideration

- Title and scientific topics?
- Do we want invited talks?
- Preference for publication – online (cheap) vs hardcopy (expensive)
- Sponsorship
  - Local sponsorship covers venue cost (~€25K) but not coffee breaks, AV etc.
  - ESA sponsorship covers reception + some travel support
  - Other sources?
  - Will try to keep registration fee below €300
  - Fee to include excursion and conference dinner

Looking forward to seeing you in Dublin soon!
