

MEOR 2014

P. Kretschmar – INTEGRAL Mission Manager
INTEGRAL Operations Coordination Group Meeting
ESTEC – 25 December 2013

- No firm dates set yet, but expect timeline similar to original mission extension effort in 2012:
 - MEOR in June 2014, documents/VGs due >1 week before.
 - Mission Extension case ready end August/early September for committees in fall.
 - SPC decision in November.
- Need to describe in MEOR:
 - Stability of satellite & instrument performance.
 - National funding status, options for critical support, if reduced.
 - Long-term disposal options.
